Mr. John J. Collier,
1520 Spruce St.,
Philadelphia, Pa.

Dear Sir:

Your letter of Jan. 7th. came to hand and I wish to thank you for your prompt reply. I can't find that any of our immediate family stopped in Ireland. We are the descendants of Robert Collier of London England who married Mary Strannge the widow of St. Botolph Aldgate on Feb. 3, 1570 and they had four children, three boys and one girl.

1st. Charles.

2nd. John who married Regina, a daughter of Mrs. Anna Semiliano on Dec. 18,1649 in the City of London. John was a merchant in London England and his will was dated Dec. 18,1649 and proved Jan. 8, 1650 and he was buried in Beddington, County of Surrey.

3rd. Isaac and 4th. Mary who married John Knight of London.

Isaac was the boy that came to America and settled in Virginia about 1650, York County, but he went back to London and married Sarah, sister of John and Edward Lockley. He died about 1667.

This gives you just how our collateral branch came to America. I give you the above thinking perhaps it might be of some interest to you at some time. If you ever come to Georgia would be glad to have you come by and see me.

Thanking you for writing me I beg to remain,

Yours most respectfully,

J. C. Collier.
